## College Connections

Led by Trent McEntyre and Bill Hollberg – *Blue Room*

Are your personal spiritual practices producing in you the life that God wants for you? In our study of the *Spiritual Disciplines* we will review the classic disciplines of the faith and how we can be encouraged to pursue God's heart and seek His face in the process of establishing the character of Christ in us; being mindful of Dallas Willard's observation that "*Grace is not opposed to effort; it's opposed to earning.*" Students and all other interested adults are welcome!

## Gospel Christianity

Led by Pete Jackson—*Green Room A*

The word "gospel" occurs so often in the New Testament that it is clearly a summary term for the basic core of what Christianity is all about. But what is that core? Come find out as we go through a Tim Keller study of what the Gospel is and how it is worked out in our lives. A great follow-up to *Christianity Explored* or for anyone seeking a deeper understanding of the "gospel" and the Christian life.

## Membership Class – Beginning April 6

Led by ChristChurch Elders—*Green Room B*

Are you interested in pursuing membership at ChristChurch? This class will run each month. Come learn more about ChristChurch's vision and what it means to be a member here. This is also a great way to meet others and get to know the leadership of our church.

11.00 am hour

## Building Your Marriage – "Love & Respect" Video Series

Led by Michael & Tracy Bunch – *Blue Room*

We invite you to take a candid look at what is really going on in marriages today using Emerson Eggerichs' "Love & Respect" Video Series. This series was truly life changing news for us after having both grown up in the church and been married nearly 23 years. We now feel empowered to start building the marriage we both yearned for but were afraid was out of reach.

## Studies in the Book of Joshua

Led by Ken Culpepper—*Green Room A*

A new stage of Israel's history is about to begin and Joshua is called to take the leadership of the people. As the successor to Moses, this remarkable man of faith, "*in whom is the spirit,*" is a true man of the people who conducts the battle of the Lord. Joshua points us to Christ, who is also among us down here, engaged in battle in the power of the Holy Spirit. This is a book about faith. Come, let us reason, remember, and meditate – on how to be strong and courageous!

## Internationals Class

Led by Paul Joseph – *Green Room B*

This class is designed to bring together those who come to the United States for the purpose of study or work and support them by providing a "home away from home". It is our desire to show God's love by welcoming internationals through extended care, hospitality and compassion. It is also aimed to help Americans learn and appreciate other cultures and enable them to reach out to the international community in Atlanta. Our study will focus on the Apostle Paul's letter to the Thessalonians. This class is for both Christian and non-Christian internationals and all interested adults.

## GriefShare Support Group

Led by Colleen Vornbrock—*Office Conference Room* (67 building)

The loss of a spouse, child, family member or friend can be a confusing time. Many feel isolated and have questions about things they've never faced before. *GriefShare* is a 13-week group to help you face these challenges and move toward rebuilding your life, featuring video seminars with top experts, like Dr. Paul Tripp, on grief and recovery subjects. You may join the class at any time in the process.
